

2018 ALBION ROTARY STRAWBERRY FESTIVAL: Saturday, June 9th
PARADE RULES AND APPLICATION

Join us for our 32nd year!

The Rotary-sponsored Albion Strawberry Festival invites you to share in this community celebration. The Parade will be held only on Saturday. For more information, go to www.albionstrawberryfestival.com.

LINE UP is at 9 a.m. at the Albion High School/Middle School parking lot. The Parade begins at 10:00 a.m.

1. For safety reasons, there should be no distribution of candy or other items from moving vehicles, including floats. Curbside distribution is permitted.
2. If you have a horse or other animal, you are required to have personnel available to clean-up animal waste dropped during the parade. This should be done immediately, so that the units following the animals have a clean route. You are solely responsible to restrain and control all animals, to prevent injury to others.
3. The Albion Strawberry Festival Committee does not permit campaigning or advocacy of any pending, current or past legislation and/ or political issues during the parade or festival.
4. We invite any currently elected public officials to participate in the parade so that the community may demonstrate their support for the officials' civic contributions. However, political campaign vehicles, posters or handout are not permitted in the line of March. No political statements regarding candidates, legislation or political races (past, present or pending) shall be allowed.
5. The Committee assigns parade locations. In certain circumstances you may be asked to change location to assure safety of participants or appropriate flow of the parade. If you would like the parade emcee to read something about you or your group, please enclose the information with this application, up to 100 words.
6. All floats, signage and apparel will be reviewed for appropriateness of content. Parade marshals have the right to reject any entry in violation of our family-friendly, non-political policy. Any performance in front of the reviewing stand must be limited to a moving performance unless prior approval by the committee has been obtained.
